

California State University, San Bernardino
College of Arts and Letters
B.A. in Liberal Studies
General Track
2016-2017

The Bachelor of Arts in Liberal Studies is a multidisciplinary program designed for students whose needs or interests require a more broadly-based liberal arts curriculum than is possible through existing disciplines. This track is configured for students who plan to become elementary school teachers.

Program Overview

- A. 28 units - Reading, Language, and Literature
- B. 28 units - History and Social Science
- C. 18 units - Mathematics
- D. 22 units - Science
- E. 13 units - Visual and Performing Arts
- F. 10 units - Physical Education and Health
- G. 10 units - Human Development
- H. 20 units - Additional General Education (GE) Requirements
- I. 08 units - Additional Liberal Studies Requirements
- J. 16 units - Field of Concentration
- K. 07 units – Free Electives

All Liberal Studies students should give special attention to the following points before they begin their course work:

- Since the Liberal Studies program contains a variety of choices, students should seek advisement as early as possible at the Liberal Studies Peer Advising Center (PALS), CE-114, (909) 537-5482, pals@csusb.edu.
- By completing the Liberal Studies program, students also fulfill the general education requirements of the university.
- A course only can be counted once within the Liberal Studies program; for example, a course taken in the Concentration, category J, cannot be taken in a breadth area, categories A through I.
- The Liberal Studies, General Track program is designed especially for students who wish to enter elementary school teaching.
- Assessment is a required component of the Liberal Studies major and is found under category I. All entering freshmen must enroll in HUM 197 at the earliest possible date. After 90 units are completed, students must enroll in HUM 397. After 135 units are completed, students must enroll in HUM 597; in either of their last two quarters.
- Transfer students must enroll in HUM 197 during their first quarter if they have not had an equivalent course elsewhere, immediately followed by HUM 397. They will then take HUM 597 in either of their last two quarters;
- All graduating Liberal Studies students must maintain a grade point average of at least 2.0 ("C"). Students who plan to seek their multiple subject teaching credential at CSUSB must achieve a minimum GPA of at least 2.7.
- All courses transferred in from community colleges are by definition lower-division courses and are never equivalent to any upper-division courses. See transfer course guides at Liberal Studies website or Assist.Org.
- Students may, at any time, access their Program Advising Work Sheet (PAWS) report through their MyCoyote Account

- Students must be enrolled in a minimum of 12 units to receive the maximum amount of Financial Aide. However, to complete the major in four years requires an average course load of 15-16 units per quarter.

Other Reminders:

- In your junior year take and pass the Multiple Subjects California State Examination for Teachers (CSET).
- In your sophomore year take and pass your California Basic Educational Skills Test (CBEST).
- File a "Graduation Requirement Check" form with Records, Registration and Evaluation when you have approximately 10 courses remaining or about two quarters before you expect to graduate.
- Be certain your "Graduation Requirement Check" form reflects the quarter in which you expect to complete all requirements for your B.A. in Liberal Studies. In the event your graduation will be delayed, make sure you re-file your "Graduation Requirement Check" form with the new date of completion.
- Commencement ceremonies are in June and December. You are allowed to take courses one quarter beyond the date of your commencement to fulfill graduation requirements.
- Declaring a minor is not a requirement for the Liberal Studies degree. If you do declare a minor, go to the department in which the minor is offered for your minor advising. If you do not complete the requirements for the minor upon graduation, you must officially drop the minor before your degree can be posted.
- Two quarters before graduation, apply to the Credential Program by contacting a Credential Advisor at (909) 537-5650 or by attending one of the Informational Meetings for a Multiple Subject Credential listed each quarter in the Schedule of Classes. These class meetings are also posted in the PALS Office.
- California Subject Examinations for Teachers/Multiple Subjects (CSET) is a hiring requirement for all schools. This test must also be passed prior to admission to a credential program at any CSU campus

How to use this checklist:

- This checklist is intended as an aid in tracking the required courses for completing the B.A. degree in Liberal Studies. You should update it each quarter by checking off courses completed and compare it against your PAWS report. Please bring this checklist and your most current PAWS report to the Liberal Studies Advising Center (CE-114).
- Courses taken and transferred from other institutions should only be checked off in accordance to what is shown on your PAWS report. If you believe a discrepancy exists between your PAWS report and this checklist, see a PALS advisor.

Please Note:

- This checklist is not an official summary and is subject to change. Use it only as a guide for your official PAWS report from the Office of the Registrar. Remember, you are ultimately responsible for completing all university requirements for graduation.
